Dear International and Ukrainian students of Sumy National Agrarian University!

We are happy to announce that we are launching Erasmus + KA 2 CBHE project “**INTERNATIONAL STUDENTS ADAPTATION AND INTEGRATION**” / **INTERADIS** (619451-EPP-1-2020-1- NL-EPPKA2-CBHE-JP) at **SUMY NATIONAL AGRARIAN UNIVERSITY** and commencing to implement its goals for your benefits.

Our first step is designing a creative co-working area. We envisage it to be a comfortable space for International and Ukrainian students, where you can spend your time preparing for the classes, communicating with each other, seeking networks, joint projects and conducting intercultural events.

This space is going to be equipped with some special equipment and tools that will enable you to make posts, streaming on social networks, to get in contact with students from other HEIs etc. That is why we seek your valuable advice as the main beneficiaries of this endeavour. We strongly encourage you to share your ideas with us. Please exchange with us your vision as to how you see this creative co-working area. How do you imagine this area? Which equipment and furniture do you need to be installed there?

Please, find five minutes to fill out the form below:

Remember, our main intention is to meet your needs and make your life at our University comfortable, convenient, secure (you name it) and memorable. We are eagerly expecting your suggestions by March 10, 2021.
